)  Modified Chapter 13 Plan, dated

A check in this box indicates that the plan contains special provisions, set out in Section G. Otherwise, the plan includes no provisions deviating from the model plan adopted by the court at the time of the filing of this case.

- A. Budget items
1. As stated in the debtor's Schedule I and J, (a) the number of persons in the debtor's household is 5; (b) their ages are 37, 37, 11, 3, 9; (c) total household monthly income is \$5,701.00; and (d) total monthly household expenses are \$4,571.00, leaving \$1,130.00 available monthly for plan payments.
  2. The debtor's Schedule J includes \$20.00 for charitable contributions; the debtor represents that the debtor made substantially similar contributions for 12 months prior to filing this case.
- B. General provisions
1. The debtor assumes all unexpired leases and executory contracts identified in the debtor's Schedule G.
  2. Claims secured by a mortgage on real property of the debtor, set out in Paragraph 5 of Section E of this plan, shall be treated as follows:
    - (a) *Prepetition defaults.* If the debtor pays the cure amount specified in Paragraph 5 of Section E, while timely making all required postpetition payments, the mortgage will be reinstated according to its original terms, extinguishing any right of the mortgagee to recover any amount alleged to have arisen prior to the filing of the petition.
    - (b) *Postpetition defaults.* Within 30 days of issuing the final payment of any cure amount specified in Paragraph 5 of Section E, the standing trustee shall serve upon the mortgagee, the debtor, and any attorney for the debtor a notice stating (1) that the cure amount has been paid, satisfying all prepetition mortgage obligations of the debtor, (2) that the mortgagee is required to treat the mortgage as reinstated and fully current unless the debtor has failed to make timely payments of postpetition obligations, (3) that if the debtor has failed to make timely payments of any postpetition obligations, the mortgagee is required to itemize all outstanding payment obligations as of the date of the notice, and file a statement of these obligations with the court, giving notice to the standing trustee, the debtor, and any attorney for the debtor, within 60 days of service of the notice from the trustee (or such longer time as the court may order), (4) that if the mortgagee fails to file and serve a statement of outstanding obligations within the required time, the mortgagee is required to treat the mortgage as reinstated according to its original terms, fully current as of the date of the trustee's notice, and (5) that if the mortgagee does serve a statement of outstanding obligations within the required time, the debtor may (i) within 30 days of service of the statement, challenge the accuracy of the statement by motion filed with the court, on notice to the mortgagee and the standing trustee, with the court resolving the challenge as a contested matter, or (ii) propose a modified plan to provide for payment of additional amounts that the

debtor acknowledges or the court determines to be due. To the extent that amounts set forth on a timely filed statement of outstanding obligations are not determined by the court to be invalid or are not paid by the debtor through a modified plan, the right of the mortgagee to collect these amounts will be unaffected. No liability shall result from any non-willful failure of the trustee to serve the notice required by this subparagraph.

(c) *Costs of collection.* Costs of collection, including attorneys' fees, incurred by the holder after the filing of this bankruptcy case and before the final payment of the cure amount specified in Paragraph 5 of Section E may be added to that cure amount pursuant to order of the court on motion of the holder. Otherwise, any such costs of collection shall be claimed pursuant to subparagraph (b) above.

3. The holder of any claim secured by a lien on property of the estate, other than a mortgage treated in Section C or in Paragraph 2 of Section E, shall retain the lien until the earlier of (a) payment of the underlying debt determined under nonbankruptcy law, or (b) discharge under 11 U.S.C. § 1328, at which time the lien shall terminate and be released by the creditor.

2. *Adjustments to initial term.* If the amount paid by the debtor to the trustee during the initial plan term does not permit payment of general unsecured claims as specified in Paragraphs 8 and 9 of Section E, then the debtor shall make additional monthly payments, during the maximum plan term allowed by law, sufficient to permit the specified payments.

3. *Plan completion.*  The plan will conclude before the end of the initial term, as adjusted by Paragraph 2, only at such time as all allowed claims are paid in full, with any interest required by the plan /or/
